Our History

Company History

- Founded in the year 2019, the management of Liquid Contractors Limited bring over 10 years of valuable experience within the Construction and Project Management sector. We provide quality work at competitive prices and have also been recognized by very prominent leaders in the construction industry. Prior to our incorporation, we have privately set an astonishing track record with “quality” at our foundation. Upon our decision to collate all our expertise under one roof, our continued goal is to ensure that you are given peace of mind knowing that our team of dedicated professionals have got you covered from the inception to completion of all your projects. We are committed to the process of converting all your ideas into reality.

A brass compass is positioned on the left side of the image, resting on a piece of white paper. The paper has the words "WHERE ARE YOU GOING?" written in blue ink. The background is a blue wooden surface. An orange horizontal bar is located in the top left corner.

Our Vision

- To be the leader in the Design and Construction industry locally, regionally, and internationally. We are committed to quality and diversity creating the idea of “trust” in the mind of anyone that thinks “construction.”

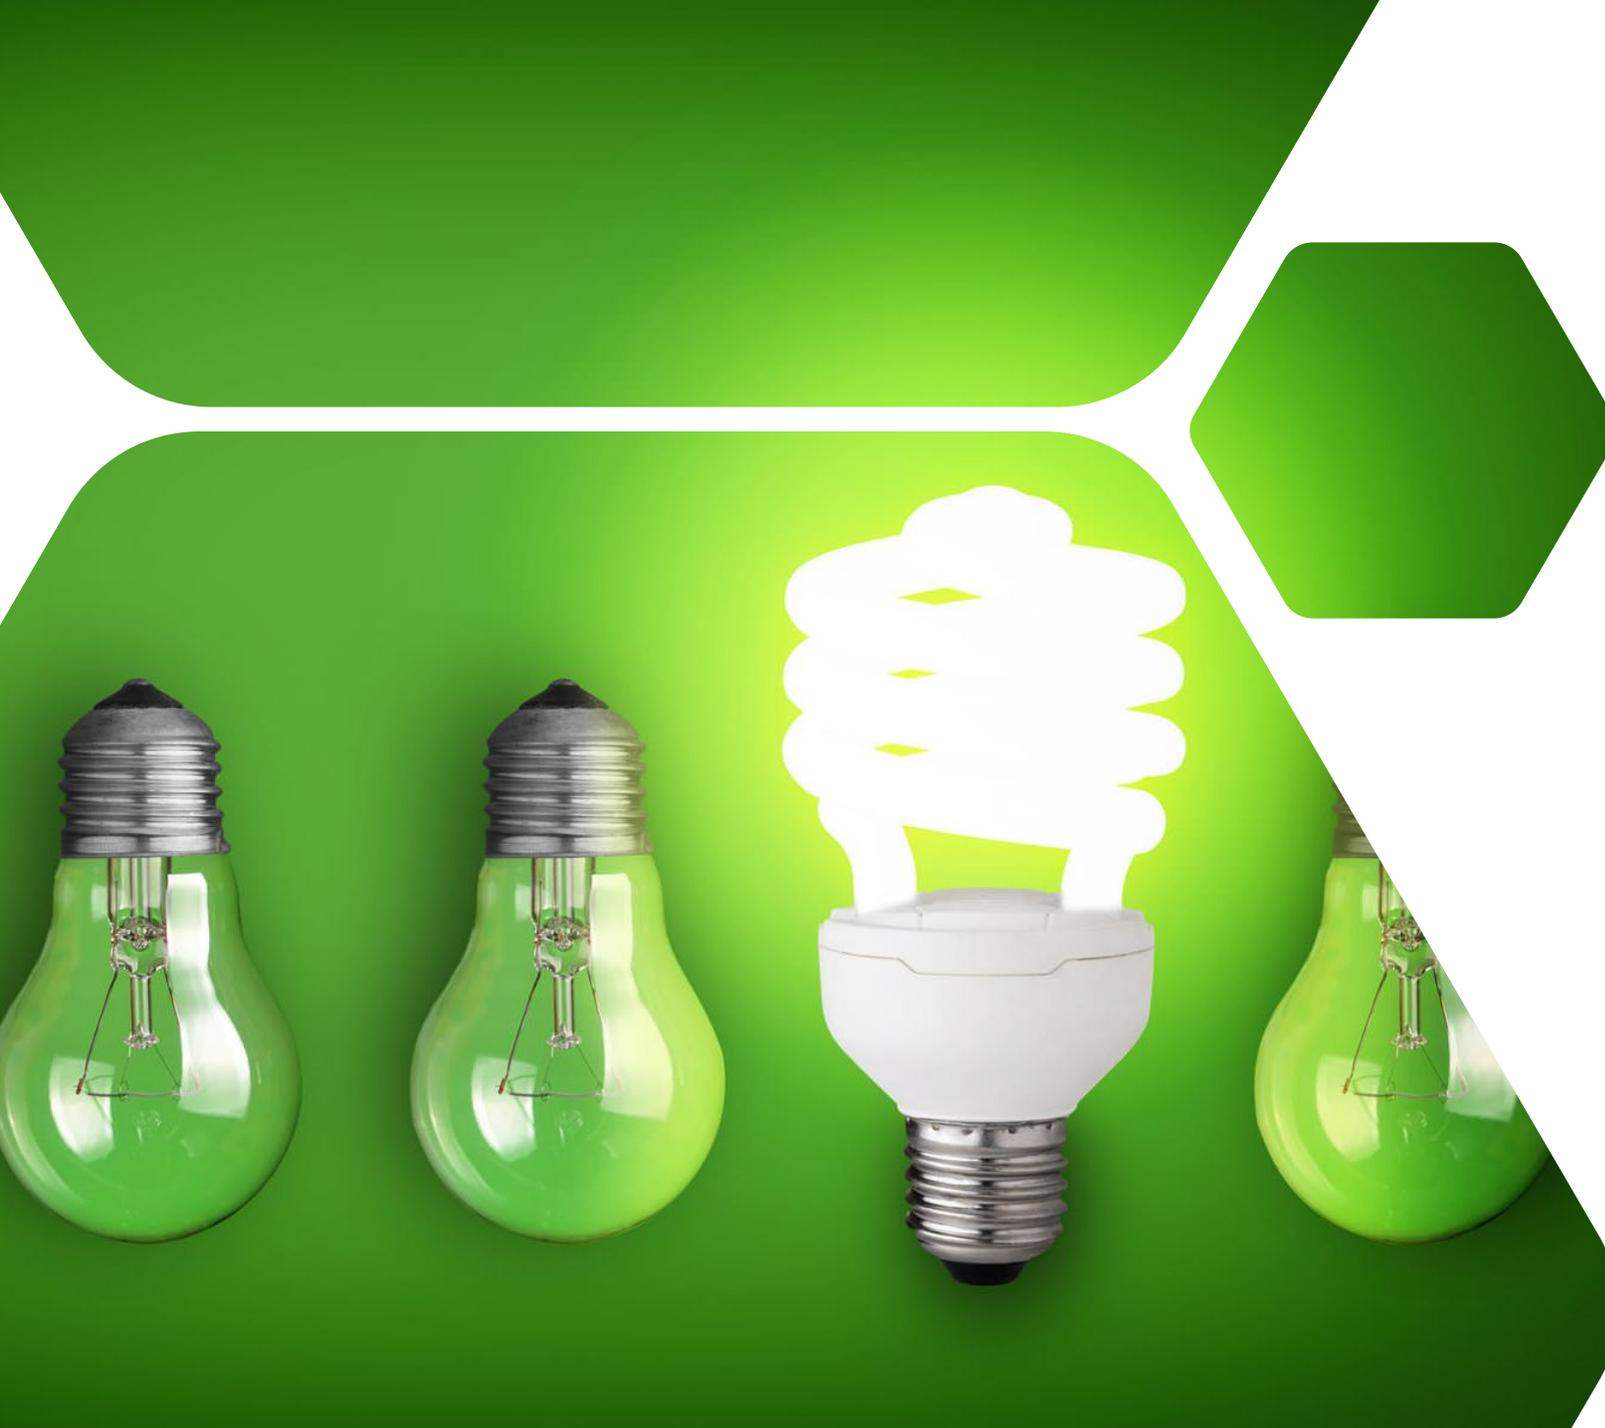

Mission Statement

- Ensuring that all our clients and potential clients are well informed and 100% satisfied from the inception to completion of all Design and Construction projects. We align your ideas with reality.

What we do

We simply bring all your Design and Construction ideas to life at a price at suits your pocket.

Why we're different

- We are focused on creating an atmosphere that ensures all our clients feel like family. We do not just provide service with a smile instead we provide service that makes you feel right at home. Being well diversified, we create value to all our clients in the form of a "One stop shop" for all your Design and Construction needs.

Our dedicated team ensures that all concerns/complaints are resolved in the shortest possible time without any added stress. As open-minded individuals, we accept any suggestions to help us improve our service to you.

Health & Safety and Risk Management

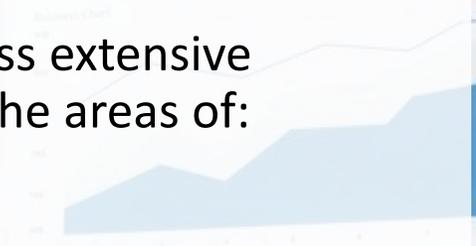

- Safety is our #1 priority on all job sites both small and large. Ensuring that we uphold this watchword both Management and our support staff are briefed on Health and Safety at the beginning, during and completion stages of all projects. PPE (Personal Protective Equipment) is also provided as a measure of reducing the risk of injury. Our Site Officials and Project Managers ensure that all job sites are constantly monitored so that a proactive approach can be taken to further mitigate the risk of injury or loss and completion is in alignment to the agreed schedule.
- As an added measure, the company has insurance (Workmen's compensation, public liability etc.) which acts as another layer in our Risk Management Structure. Liquid Contractors Limited takes all the necessary steps to act within all applicable Trinidad & Tobago laws that govern our industry.
- We are always seeking new and improved ways to better protect both our workers and clients on all job sites.

The Management of LCL

- The Management of LCL possess extensive knowledge and experience in the areas of:
- Project Management
- Design & Construction
- Civil works
- Health & Safety
- Finance
- And much more..

Business Chart - Visual

When your business is doing well, you'll see a steady increase in sales. This is a good sign and indicates that your business is growing. However, if you see a sharp decline in sales, this is a warning sign that you may be in trouble.
